## Cumulative Index

1990 through July/August 2010

This Index includes all films reviewed in VP since its first issue appeared in February 1990 through part of 2010. I will update the Index at the end of each year. To allow room for expansion a number of columns have been left blank.

The films are divided into the following categories: Theatrical; Cable/TV; Documentary; and Short Films. Other categories include: Film Guides; Praying the Movies; Preaching the Movies; Articles; Book Reviews; and (some of) Doug Sweet's SweetResources columns. Indexing Lectionary Links proved to be too complicated, so at a later time I will deal with it, possibly as a special CD book that includes searchable lists of the films and Scripture passages and includes all of the articles.

If the website's search engine does not bring up the film title you want, you can use this index to find the issue of VP containing it. Your subscription gives you access to issues dating back to August 2003. For issues before then we have for sale printed copies (and in some cases DVDs formatted in pdf) of the majority of issues, indeed every issue from 1990 through 1993. A price and availability list can be obtained by contacting the editor at [emcnulty@insightbb.com](mailto:emcnulty@insightbb.com).

I have spent hours trying to find irregularities of spelling and other errors: if you find errors, please report them so that I can make the correction.

### THEATRICAL FILMS

Included in this section are films that first opened in theaters, plus films the reviewer first saw on DVD. A number of films are also listed under "On Cable."
